Re: Submerged Resources Act & Regulations

Dear Mr. Phillips:

We would like to thank you for your interest and concern regarding this new Act and the development of regulations for the Act. At this time, a copy of the draft regulations is just beginning. When this draft is complete, we will be happy to forward a copy to you so you may provide input. Rest assured that we will make every effort to ensure that the regulations are as equitable as possible for all the people of Alabama.

Again, we appreciate your interest and we apologize for the delay in our response. Should you have any questions or comments, please contact our office.

Sincerely,

Lee Warner
